

REMARKS

Drawings

The drawings were received on May 5, 2005. These drawings are not acceptable. In addition to Replacement Sheets containing the corrected drawing figure(s), applicant is required to submit a marked-up copy of each Replacement Sheet including annotations indicating the changes made to the previous version. The marked-up copy must be clearly labeled as "Annotated Sheets" and must be presented in the amendment or remarks section that explains the change(s) to the drawings. See 37 CFR 1.121(d)(1). Failure to timely submit the proposed drawing and marked-up copy will result in the abandonment of the application.

Applicant complies herewith the above-referenced requirements and submits the Replacement Sheet with the Annotated Sheet that indicates the changes made in the drawing as compare to the previous version. The Replacement and Annotated Sheets provide description of basic components of the system.

Reconsideration of all outstanding rejections is respectfully requested. All claims as presently submitted are deemed to be in form for allowance and an early notice of allowance is earnestly solicited.

Respectfully submitted,

Michael Gauselmann
